## HOW TO HELP A LOVED ONE WITH ADDICTION, WITHOUT HELPING THE DISEASE

Having a good understanding of the disease of addiction, knowing the difference between enabling and helping, and knowing how to develop a good support system is essential for everyone impacted by addiction.

This presentation will address many of the questions you have on how to help a loved one who is addicted and it will be delivered by a well-respected, nationally known clinician and speaker Anthony Rizzuto, LMSW, CASAC, CAI-I-National Speaker, who has helped thousands of families and patients alike.
