The Town of Huntington Opioid Task Force
and the Huntington Town Board

Please join us as we will raise a flag in support of National Recovery Month.

In a year where we lost 93,000 loved ones to the disease of addiction, National Recovery Month is especially important. We must all work together to help those who still face barriers to treatment and to end the stigma that has continued to affect those seeking help.

Tuesday August 31

Time has been changed to 4:00 pm
