

# STRATEGIC PREVENTION FRAMEWORK LEARNING COLLABORATIVE

HOSTED BY THE LI PRC

This interactive Learning Collaborative offers an opportunity to gain more insight into how to utilize the Strategic Prevention Framework (SPF) in your coalition work. All coalition members and staff are welcome to attend and share. We'll work on identifying local substance abuse conditions, developing CADCA products and/or logic models or anything else needed to achieve your goals! Bring what you have! Great networking opportunity!
